

GOVT. OF JAMMU & KASHMIR

DISASTER MANAGEMENT PLAN

for

NH-1A DISTRICT ANANTNAG

2017-18

Disaster: As defined in National Disaster Management Act.

A disaster means a catastrophe, mishap, calamity or grave occurrence affecting any area from natural and manmade causes, or by accident or negligence, which results in substantial loss of life or human suffering or damage to, and destruction of property, or damage to, or degradation of environment and is of such a nature and magnitude as to be beyond the capacity of the community of the affected areas.

Disaster Management in District Anantnag(NH- Section)

District Anantnag being located nearer to the Himalayas having very tough terrain and steep slope becomes very vulnerable to different type of disasters. Most worst part of this district is in its Southern side right from Jawahir Tunnel upto the plains having most susceptible to avalanche in the winter season.

In order to save the life and property, a comprehensive disaster management plan has been put in place where all the stake holders including army, Para military force, police and civil administration are in close coordination with the public for handling unforeseen event.

In the above background a well-planned disaster management plan has been put in place for the year 2017-18.
